As a local business with professional approach and hundreds flight-hours of experience, we focus on incoming tourism. Our clients are either individuals travelling to Prague, or tour operators seeking an extraordinary attraction for their customers.

OUR CUSTOMER SERVICE INCLUDES:

- Daily capacity up to 32 passengers
- Transportation from Prague and back
- Full insurance coverage
- Small refreshments before boarding
- On-board guidance by our pilots
- Champagne ceremony after flight
- Commemorating aviator's certificate
- On-board pictures from the flight

OPTIONS AND EXTENSIONS FOR B2B COOPERATION:

- Extendable capacity up to 120 passengers (up to 10 balloons)
- Transportation for the entire group from a hotel in Prague and back
- Full service catering (breakfast / dinner)
- Professional photography
- Native speaking guide to accompany the group

Each day we schedule 2 flights: sunrise & sunset.

Early sunrise and late sunset assure enough time for other activities during the day.

There are no strict passenger conditions.

Ballooning is generally considered a safe activity.

Czech Republic offers over 150 flying days.
